Lena Bryant
Classified Employee of the Year
District Office

Lena Bryant was named the District Office Classified Employee of the Year by the Fremont Union High School District Board of Trustees at its meeting on May 2, 2017. Lena first began working in Human Resources as Senior HR Specialist in January of 2013. Lena juggles a variety of daily tasks with high quality and is the go-to person in the District for supporting employees through workers’ compensation and a variety of leave processes.

Lena loves the people she works and the atmosphere of friendship and encouragement among her colleagues. Her favorite aspect of her role is being able to help other employees navigate the many different and complicated aspects of employment that fall under the purview of Human Resources.

Lena’s colleagues praise the positive can-do attitude she brings to work each and every day. According to Coordinator of Human Resources Ben Clausnitzer, “Lena’s work with the recruitment of both certificated and classified personnel is to be commended. Lena’s hard work, effort, good sense of humor and willingness to ask questions make her a valuable asset to Team HR.”

Lena was born in Santa Clara County and raised in both San Jose and Manteca, CA, where she graduated from Manteca High School. Prior to joining the Fremont Union High School District, Lena worked as a Mobility Manager, helping community members find交通运输ations when self-driving and public transportation were not an option. Lena has been married to her husband Matt, a Maintenance Operations Support Specialist with FUHSD, for seven years. Together, they have a 12-year old daughter Miracle. In her free time, Lena enjoys reading, sewing and weekend adventures with her family.
