Press Release

For immediate release: May 16, 2017

Joe Roan
Classified Employee of the Year
Monta Vista High School

Joe Roan was named the Monta Vista High School Classified Employee of the Year by the Fremont Union High School District Board of Trustees at its meeting on April 4, 2017. Joe began his career with FUHSD in the Fall of 2015, working as a long-term substitute in the role of attendance tech. His positive disposition and strong work ethic led to an offer to officially join the Monta Vista team as the full-time attendance tech in April of 2016. In his role, Joe processes attendance data from teachers, parents, students, administrators, law enforcement and social services agencies, while providing technical assistance and preparing complex attendance reports for the MVHS administrative team.

For Joe, the best things about his job are his ability to help the students at Monta Vista in any way he can, particularly as an alumnus of the high school himself, and being a part of a stellar front office team. Prior to joining the MVHS staff, Joe served as an assistant coach to the MVHS Varsity Boys Basketball team from 2006 to 2009.

“Joe is the epitome of grace and patience,” said Principal April Scott. “He treats everyone with respect, kindness and a calm response. He is thoughtful, organized, and the perfect “face” of Monta Vista.”

Joe was born in Hayward, CA and raised in San Jose, where he graduated from Monta Vista High School. His fondest memories are of serving as the manager of his high school basketball team during his junior and senior years at MVHS. Joe says it was the first time he felt being part of something as a group while playing and learning the sport he loved. After graduation, Joe attended DeAnza College and the University of California, Santa Cruz, where he received his Bachelor’s Degree in Chemistry. Prior to joining the Monta Vista staff, Joe was a substitute teacher and assistant Varsity Basketball coach at The Harker School in San Jose. Joe loves sports, especially coaching. He is currently an assistant Varsity Boys Basketball coach at The Harker School and a volunteer coach at West Valley Basketball and the Silicon Valley Basketball Club.
