Eugenia San Cristobal
Classified Employee of the Year
Homestead High School

Eugenia San Cristobal was named the Homestead High School Classified Employee of the Year by the Fremont Union High School District Board of Trustees at its meeting on March 7, 2017. Eugenia started her career with FUHSD in August of 1997 as a Bilingual Para-educator for the ELD Department at Homestead before becoming the school registrar in 2005. Eugenia is responsible for performing a wide variety of duties related to the enrollment and graduation of students in the district, including the maintenance of academic records and evaluating records for compliance with graduation requirements. As the most senior registrar in the district, she is looked to for guidance and mentoring on how best to do the job.

Eugenia loves having the opportunity to work with students and teachers and share the daily adventures of her work with her colleagues and friends. She particularly enjoys getting everything prepared for the graduation of the senior class each year – diplomas, transcripts, seals and student files. While her daughters were attending Homestead, Eugenia was an active volunteer with the band and color guard.

According to Principal Greg Giglio, “Eugenia has a huge heart when it comes to the students, families and staff members at Homestead. Her long-time dedication to our school and her welcoming personality have helped us create a more positive campus for everyone.” Eugenia’s colleagues praise her sense of humor, ability to multi-task, profound knowledge base, and patience and precision in everything she does.

Eugenia was born and raised in La Paz, Bolivia. She fondly remembers her friends from high school, the great memories they made and the teachers that made a positive impact on her decisions. Eugenia attended the Universidad de San Andres in La Paz, Bolivia and graduated in June of 1985 as an Auditor. Before moving to the United States, Eugenia worked in the accounting department in a government office. After emigrating from Bolivia, she worked as a bank cashier in New York for several years until she and her husband moved to California. Eugenia has been married to her husband Jorge for 32 years, and together they have two beautiful daughters, Mariajose (28) and Cecilia (27). Eugenia loves arts and crafts, painting, reading and watching movies - both old and new.
