Sean Victorine
Classified Employee of the Year
Adult and Community Education

Sean Victorine was named the Adult and Community Education Classified Employee of the Year by the Fremont Union High School District Board of Trustees at its meeting on May 2, 2017. Sean first began working as a Senior Clerical Assistant at Adult and Community Education in June of 2011 and has been providing top-notch customer service and assistance to community members and students ever since. In his role, Sean is also responsible for serving as a site coordinator for the adult education courses that are held at both Cupertino and Fremont high schools in the evenings.

Sean appreciates the opportunity to serve the community and interact with a wide spectrum of students that range from preschool age to the senior population. “I think we really make a positive impact on the local and surrounding communities by providing classes that enrich our students lives and help them reach their goals,” said Sean. “Many of students come from all over the South Bay and peninsula to take classes through FUHSD’s Adult Education.”

Sean was born and raised in Sunnyvale, CA, where he attended Homestead High School. He went on to receive his bachelor’s degree in Illustration from San Jose State University. Prior to joining the Fremont Union High School District staff, Sean worked full time at a major hotel in Cupertino to support himself through college. The hotel served many of the high tech firms based in Silicon Valley and the experience taught Sean how to professionally communicate with people from all walks of life and different parts of the world. In his free time, Sean stays active by playing ice hockey and loves drawing, sketching and exploring his artistic abilities. His brother Scott, also a Homestead graduate, is a teacher at Monta Vista High School.
